Problems with traffic and parking in UNESCO heritage zone around Old Bridge

- Road work (constantly)
- Irresponsible participants
- Disobeying traffic rules
- A lot of citizens and tourist
- Not enough of parking

Dubrovnik, Croatia

Regulation of traffic within the buffer zone of the world heritage site

Problems

- Parking for bus
- A lot of tourists in short period of time (overcrowded)
- Parking on road
- Roads too narrow
- Quality of life of residents endangered

Changes through years

- „Respect the city”
- Boarding rules for the cruise ships
- Smart city tools
- Bus + web shop
- Cameras
- Organized parking
- Law „traffic zone in protected cultural historical entity and contact zone”

Similarities between Dubrovnik and Mostar

- Problems with parking in heritage zone
- Overcrowded in summer
- Quality of life of residents

Propositions

- Organized parking in 5+ min walking distance from heritage place
- Public transport
- Regulations of visitors
- Regulations of traffic
