A WORLD HERITAGE CITY BECAUSE OF...

THE ACUEDUCT

- 01 Symbol of the city
- 02 Unique in the world
- 03 The most important example of Roman civil engineering in Spain

01

Built in I-II century AD

02

Maximum Height: 28 m

03

167 arches

THE GOTHIC CATHEDRAL

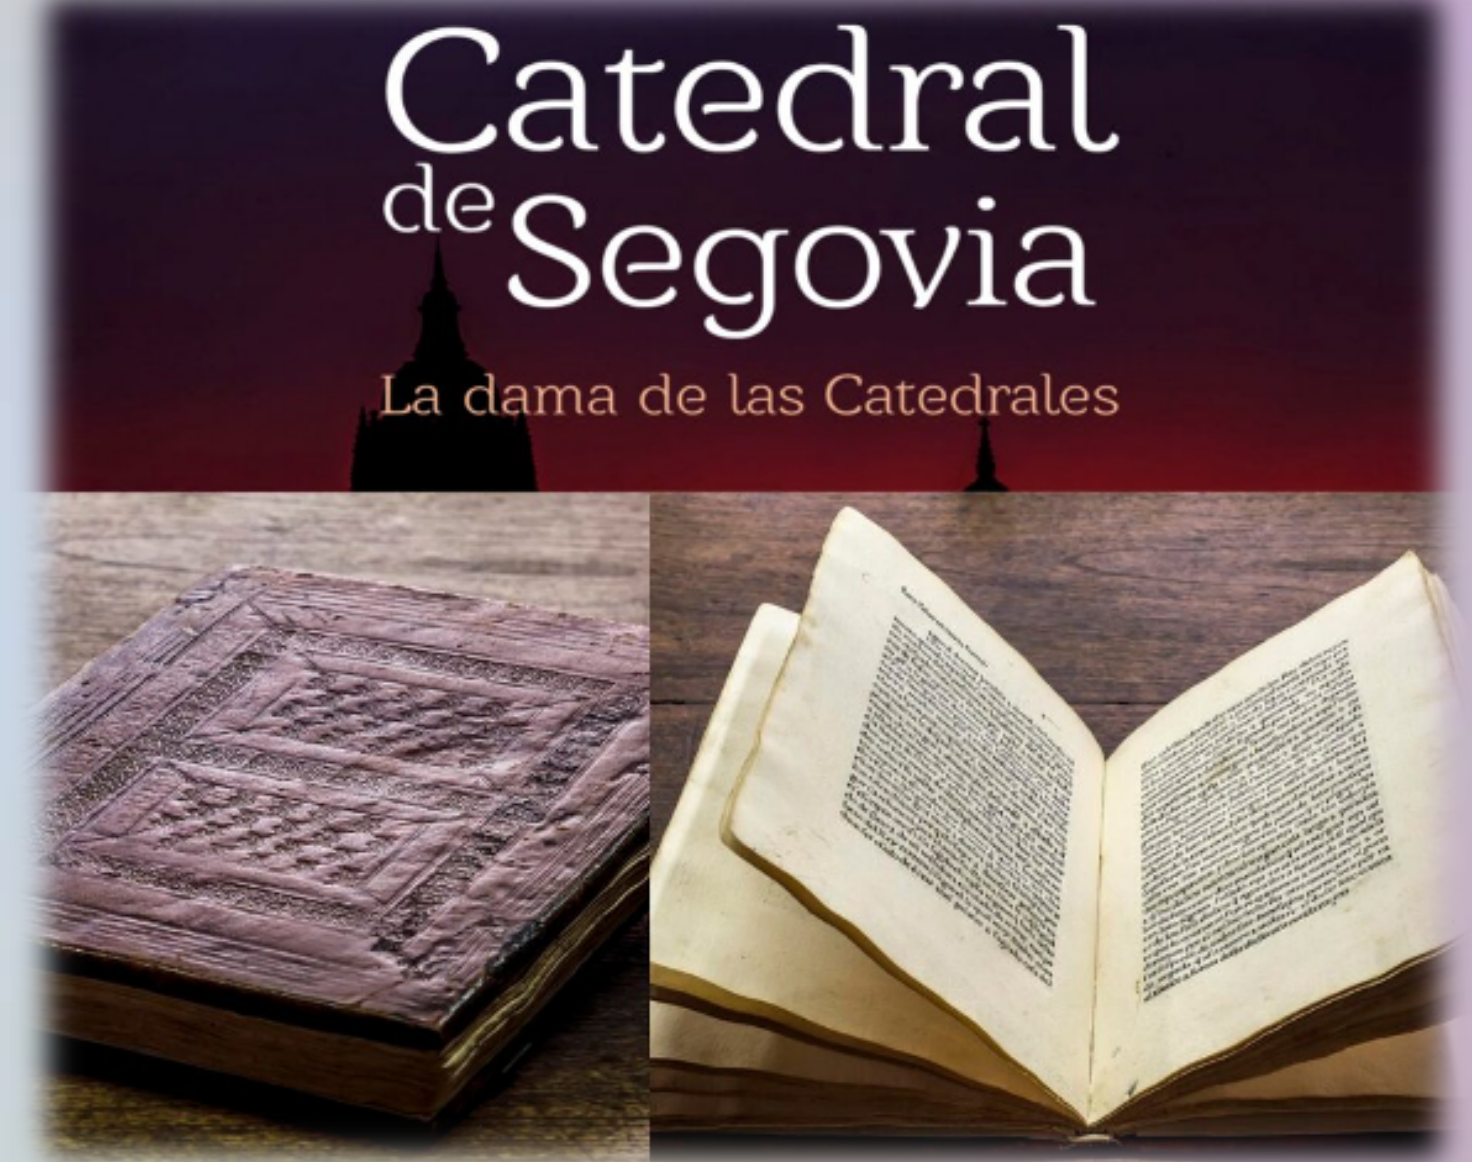

01

Late Gothic (XVI-XVII)

02

Built to replace the city's previous cathedral

01

The Cathedral holds the first printed book in Spain (1472)

XVI century stained glasses,
is another artistic gem not to be missed

A photograph of the Alcázar of Segovia, a large stone castle with multiple towers and spires, perched on a rocky hill. The scene is set in winter, with snow covering the ground, the castle's battlements, and the surrounding trees. The sky is overcast and grey. A semi-transparent pink oval is overlaid on the lower half of the image, containing the text "THE ALCÁZAR" in a bold, black, sans-serif font.

THE ALCÁZAR

- 01 This fairytale castle is one of the most visited monuments in Spain
- 02 Royal residence
- 03 Said to be the inspiration for Walt Disney
- 04 Boat-shaped castle sailing between two rivers

It offers visitors a glimpse into Spain's rich history
